ACENA Membership

Welcome to 2016 and the start of our annual Membership Drive! In order to make the most of your ACENA benefits, remember to renew your individual and center memberships before January 31st, 2016. The renewal process is easy and can be completed online. [Join Now!](#)

As a reminder, ACENA members are eligible for a special rate for the 2016 ACENA Conference in Orlando, FL. Make sure to renew your membership before registering to receive this discount.

We hope you will spread the word and encourage others to become a part of this organization in order to take advantage of the wide range of professional opportunities and resources we have to offer. If you have any questions regarding

ACENA Conference Update

Hosted by: **Conductive Education Center of Orlando (CECO)**
in Orlando, Florida March 2nd - March 4th, 2016

Registration is formally open!

Conference Hotel: DoubleTree Orlando Downtown -
Reservations \$145 per night

More information on the Conference and Hotel can be found at www.acenaconference.org

Over 30 workshops are scheduled for the conference! Presenters range in professions from conductors, therapists, physicians, special education teachers and administrators all with the common goal of promoting conductive education and showcasing innovation in the practice.

Keynote presentations:

- Melanie Brown from the National Institute on Conductive Education
- Florida Hospital for Children Neurology Team specializing in brain imaging and neuroplasticity, seizure disorder treatment and effectiveness of intensive interventions for persons with cerebral palsy

Participants are encouraged to extend their stay to attend the "Make it Possible Technology Expo", hosted by the Orlando Science Center and the Conductive Education Center of Orlando (CECO). This event will showcase the latest in technologies for persons with motor disabilities in an engaging and interactive manner.

membership please contact Liz Filkins at lizfilkins@acena.org.

ACENA Conference Scholarship

Congratulations to the following individuals who are awarded scholarships to attend the ACENA Conference in March:

Vishali Malhotra
Elizabeth Filkins
Andrea Swinger
Brittany Jennings

ACENA received applications from many deserving Conductive Education Teachers. We are disappointed not to be able to fill all requests and hope you can still attend this valuable conference!

World Congress Update

"Welcome to the Home of Conductive Education"
December 8, 2016 - December 15, 2016
Budapest, Hungary

on Thursday, February 18, 2016!

This day is always a great opportunity to increase awareness of Conductive Education and promote your program.

Similar to previous years, ACENA will offer a Campaign Kit to its Conductive Education Teacher, Student Conductive Education Teacher, and Program Administrator members. The kit is designed to help advocacy work, and includes eight files, including: a cover letter from ACENA's president, a detailed guide of how to use all the documents, various templates, and a pamphlet that promotes CE. All these files can be fully customized with ease. Start to think about what your campaign may look like and consider striking a small working group at your center to champion CE Day 2016!

For more information, please access:

www.konferencia.prezz.hu

Pre-Congress: December 8th & 9th

Congress: December 10th - 13th

Post Congress: December 14th & 15th

The official language of the Congress is English.
